CLIENT AUTHORIZATION LETTER

Vacuum System NOx Emission Reduction System.

ATTACHMENT J-9

INSERT DATE HERE Dear Client: We are currently responding to the NASA Ames Research Center Request for Proposal (RFP) for the Steam

NASA Ames Research Center is continuing to place increased emphasis on past performance as a source selection factor. As such, a requirement of their solicitation is that past clients of ours be identified and

participate in the evaluation process. You are hereby authorized to respond to this and other inquiries.

We have identified ______ of your organization as the point of contact based on his/her knowledge concerning our work.

Please complete the enclosed Past Performance Questionnaire and forward it directly to NASA Ames Research Center, Attn: Ken Kitahara, JAC: 241-1, Moffett Field, CA 94035-0001. E-mail responses may be sent to the following address: kenneth.kitahara@nasa.gov. Fax submissions are not acceptable

A response to this questionnaire is requested to the above address no later than August 1, 2011.

Your cooperation is appreciated. Any questions may be directed to the undersigned.

Sincerely,

Enclosure

PAST PERFORMANCE QUESTIONNAIRE

OFFEROR'S HISTORICAL DATA:

FEROR IDENTIFICATION					
Offeror:					
Contract (or grant, cooperative or other agreement) No.:					
Contract Title:					
ONTRACT INFORMATION. Please provide the following information for the contractor and contract number identification in 1.A. above:					
Contract Type:					
Contract Purpose (e.g., support service, R&D, etc.)?					
Contract Award Date: Period of Performance:					
Total Contract Value: Value of Contractor's Share:					
Was the contractor a prime contractor?					
Is the contract currently in an overrun situation, which required a change order? yes n					
If yes, please explain (please address any overruns resulting in change orders and their impact o overall cost performance):					
Please provide the program title and the nature of the effort (i.e., describe the scope of the effort, the type of tasks involved, labor skills used, and products/support delivered).					
Are there any serious performance problems, any termination for default, any environmental violations, or any safety violations cited?					
If yes, please explain:					

2. RATINGS AND QUESTIONS:

- A. <u>RATINGS</u>. Please review this questionnaire based on the following guidance:
 - 1. Please return the completed questionnaire within five working days. A telephone interview may be conducted to obtain your responses or for clarification purposes.
 - 2. You are urged to read the questionnaire and supplement your own knowledge of the offeror's performance with the judgment of others (e.g., coordinated effort between the Contracting Officer and the Technical Point of Contact) in your program. In addition to providing the information for the contract or order identified, we solicit your comments on other similar contract or order that your activity has with this offeror.
 - 3. For each item requesting a rating, respond with the rating that best describes the contractor's performance for the referenced contract or order. If an item is not applicable to your contract order, or if you do not know how the contractor performed/is performing on that item, please respond N/A. The rating scale is defined as:

11 4 (75)					
Excellent (E)	Consistent record of exceptional past performance by the offeror and any proposed				
	major subcontractors on work requirements of the contract; indicating exemplary				
	performance in a timely, efficient, and economical manner; very minor (if any)				
	problems with no adverse effect on overall performance.				
Very Good (VG)	Consistent record of successful past performance by the offeror and any proposed				
101) 0000 (10)					
	major subcontractors on work requirements of the contract; demonstrating very				
	effective performance that would be fully responsive to contract requirements with				
	contract requirements accomplished in a timely, efficient, and economical manner for				
	the most part with only minor problems with little identifiable effect on overall				
•	performance.				
Good (G)	Successful past performance by the offeror and any proposed major subcontractors on				
, ,	work requirements of the contract; and it demonstrates effective performance; fully				
	responsive to contract requirements; reportable problems, but with little identifiable				
3.7	effect on overall performance.				
Neutral (N)	Neutral score. Assigned to offerors without a record of relevant past performance or				
	for whom information on past performance is not available				
Satisfactory (S)	Successful past performance by the offeror and any proposed major subcontractors on				
• • •	work requirements of the contract; demonstrates meets or slightly exceeds minimum				
	acceptable standards; adequate results; reportable problems with identifiable, but not				
70	substantial, effects on overall performance.				
Poor (P)	The Offeror's recent and relevant past performance demonstrates performance that				
	does not meet minimum acceptable standards in one or more areas; remedial action				
	required in one or more areas; problems in one or more areas, which adversely affect				
	overall performance.
